

THE BOARD OF DIRECTORS' REPORT For the period ended December 31, 2018

Fidelity United Performance

2018 has turned out to be an exceptional year considering it is the first year of the turnaround phase. The company has performed better than 2017 and budget in many aspects.

2019 Outlook

With a projected top-line increase of 50% in 2019, the underwriting and claims management is on a healthy path. Ongoing development in customer service, software, online portal, product enhancements and employee retention will continue to improve the business with a view to increase market share and achieving its goals.

Financial Highlights
